Denso Hotline Tape

Corrosion protection of pipes at elevated temperatures

Composition
Denso Hotline Tape consists of a synthetic fibre fabric impregnated and coated with a compound based on petrolatum and synthetic polymers and laminated to a clear plastic backing.

Uses
Denso Hotline Tape is a cold-applied conformable tape for the corrosion protection of pipes operating at elevated temperatures.

Denso Hotline Tape is suitable for the protection of copper, iron or steel pipes above ground in ducts or set in concrete. For below ground applications, please refer to the manufacturer as a high-temperature outerwrap is recommended.

Characteristics
Denso Hotline Tape is:

- VOC free,
- easy to apply, and
- suitable for service up to +110°C.

Application
See *Instructions for Use* for additional detail.
Recommended Primer: Primer not required

Application temperature: +5°C to +50°C

Availability
Denso Hotline Tape is available in 10 metre rolls in widths from 50 mm to 300 mm.

Storage conditions
Store in a cool and dry place in original packaging.

Waste material
Please avoid or minimise waste wherever possible. Please do not discard waste material, including packaging, in the surrounding environment. Follow all relevant legislation for disposal.

Typical properties

Colour	Red/Brown
Thickness	1.4mm
Weight	1.44kg/m^2
Breaking Strength	200 N/50mm minimum
Elongation at break	15%
Breakdown voltage (Double layer)	16kv

Note: *For buried pipe applications, a compatible high-temperature outerwrap, such as Denso Glass Outerwrap, is recommended*

Important: Winn & Coales / Denso SA (Pty) Ltd pursue a policy to develop and continually improve all of our products and therefore the information given in this data sheet is intended as a general guide and does not constitute a warranty of specification. However, our sales personnel are committed to assist the user in establishing the suitability of the product for its intended purpose and additional specific information is available on request. Denso SA (Pty) Ltd operate a Quality Management System registered to ISO 9001.
